Mother's Day at St. Alban's

Mother's Day at St. Alban's was alive with the sound of children's voices. The little ones cooed as they slept in their bassinets while the older ones brought out their crayons and coloring books, occasionally squealing with delight. Most touching were the words of the *Lord's Prayer* recited by young Peter Williams in unison with the congregation. How beautiful are children's voices as they grow in Christian love. Mother's Day was a day of *Love:* a mother's love for her children; children's love for their mother; loving memories of mothers who have gone before us and above all, *God's love for us all.*

Following the morning Eucharist, the men of the church honored *Mothers* in a very special

way. Led by Harvey Smith, Tommy and Frank Skinner and Theo Williams, the culinary crew served the traditional *Mother's Day Luncheon* in the Parish Hall. The elegant meal was served in a style *fit for a queen!* During the meal, everyone had their eye on a wide variety of desserts that were temptingly displayed on the closed lid of the grand piano. The desserts were short lived and absolutely delicious. Guests lingered and visited long after the meal was finished.

Nothing could have been more special than to celebrate Mother's Day at St. Alban's where the love of Christ prevailed and the sound of children's laughter delighted the soul.

†Billie's Corner

"Caring is the greatest thing, caring matters most."

The last words of the Italian religious philosopher, Freiderich Von Hugel

Dear Saint Alban's Community,

I came across the above quote in a book entitled *The Quiet Eye* by Sylvia Shaw Judson. It occurred to me that caring is at the heart of Stewardship, Pastoral Care, Christian Education, Evangelism, Community Life and Family Life as well! *The spirit of Saint Alban's Church is caring* and this spirit is reflected in our worship services, our inreach and outreach ministries and the pride we have in our church structure and

grounds. We care about each other.

Stewardship is much more than a financial campaign that takes place during the fall season. Year-round, our caring for others is shown as we give generously of our time, talent and treasure. During the

summer months, the *Albanac* is going to feature collages depicting stewardship as a way of life at Saint Alban's Church. The series of collages will begin with Sunday morning worship services.

Look at the photographs—they tell the story of how many people care about our Eucharist. Everyone who attends the Eucharist is exhibiting stewardship---from the people in the pews to the liturgical servers on the altar. The worship service is our central act of caring—together we praise and thank God, together we pray for the needs of others,

together we feast on the divine meal of The Bread of Life and the Cup of Salvation and together we depart to love and serve the Lord. We are faithful stewards of the holy beauty of our liturgy.

Out of God's great love, we have been given all that we have and we are called to be stewards of God's gifts. We are called to care for God's gifts. Why? Because "Caring is the greatest thing, caring matters most."

In peace Billie+

E piscopal Church Women

The Episcopal Church Women met on Saturday, 24 May. The ECW is open to all women at St. Alban's. We try to meet the second Saturday of the month to discuss on-going and new business, but busy schedules sometimes get in the way, so we are flexible with our dates.

The St. Alban's cookbook is a work in progress, and we are still accepting recipes, but we need to get all recipes to Cassandra Price no later than the middle of June, as we want to have the cookbook in print and ready for sale for our Fall Festival. Becky Drake has been working very hard on the pictures and historical write-ups, and Ann Jones is lending her artistic talent for the cover. A committee is proofing the recipes, and we thank all for their delicious contributions.

The ECW voted to send a check to the Episcopal Relief & Development for the Tornado Response Fund to assist those who are in need. We are also purchasing white table cloths for future St. Alban's functions.

Our next meeting is scheduled for Saturday, 8 June, at 9:30 a.m. at the church, and we hope to see you there.

Sharon Hanks ECW President

United Thank Offering

The United Thank Offering (UTO) is a ministry of the Episcopal Church for the mission of the whole church. Through UTO, men, women, and children nurture the habit of giving daily thanks to God. These prayers of thanksgiving start when we recognize and name our many daily blessings. Those who participate in UTO discover that thankfulness leads to generosity. The UTO is entrusted to promote thank offerings, to receive the offerings, and

to distribute the UTO monies to support mission and ministry throughout the Episcopal Church and in invited Provinces of the Anglican Communion in the developing world.

Envelopes will be placed in the pews and traditional blue boxes will be placed June 2—16 for our Spring Ingathering. Please give generously.

Ann Tompkins UTO Chairperson
